Hi Hannah,

Are you specifically asking for Venice and Globe under the 405 or other underpass streets within CD 11 that are under the 405?

Because outreach with our HOPE HET/LAPD has increased with the team going specifically to Venice and Globe 2-3 times a week. Also with the Mayor's office directing the trash bags programs, HET HOPE has been giving trash bags specifically to that encampment so that LASAN can do Friday afternoon pick up.

We started that project in early March.

Hey there Matt,

Wanted to ask you briefly what the increased outreach by LAHSA under the 405 means - is that increased from last month, last week? More precisely, how many times/week is LAHSA at that location compared to months in the past.

Thanks!
Hannah
